Bill Branthoover & Sara Taylor

The Montgomery Historical Society has asked me to update this book. The new material will cover the last 20 years of developments in the town.

I would very much like to speak with anyone who can talk about:

- . the '97 Flood
- . the new School Building
- . the new Public Safety Building
- . Town Demographics
- . Covered Bridges
- . Business & Commercial Developments
- . Arts in Montgomery
- . Economic changes – especially
the demise of Dairy Farming
developments at Jay Peak
- . Churches
- . any Other Topic that needs to be covered
